New features

New feature: Add images as answers to engage pre-readers and students who struggle with text!

As one of our top requests, you can now use images as answer alternatives. It will help you engage students of all ages - even those...

Make **any** video

your lesson

The screenshot displays the EDpuzzle web application interface. At the top, the header includes the EDpuzzle logo, navigation links for Home, My Videos, My Classes, and a user profile for Matt Hurst. Below the header is a control bar with buttons for Back, a scissors icon for editing, a microphone icon for audio, a speaker icon for volume, a green question mark icon for the quiz, a purple icon for the lesson, and a Save button.

The main video player shows a cartoon illustration of a person with red hair and a blue shirt. On the left, the person is standing with arms at their sides, labeled with $| \text{---} \text{MASS} \text{---} |$. On the right, the person is spinning with arms extended, also labeled with $| \text{---} \text{MASS} \text{---} |$. In the center, the text "ANGULAR MOMENTUM IS CONSERVED" is written in red. Blue curved arrows indicate the direction of rotation. Below the video player is a progress bar with a play button on the left and a green question mark icon at the current position. The video duration is shown as 1:17 / 2:28.

On the right side, a sidebar contains tabs for Open, Test, and Comments. Under the Test tab, it prompts the user to "Add your test question below" with an example: "e.g. How would you define 'CDpuzzle'?". A red error message states "This value is required." Below this are two input fields, each with a green checkmark icon and a red 'X' icon, and a button to "Add answer". At the bottom of the sidebar are buttons for "Create" and "Add next item".

Google Form

โรคติดเชื้อ

*Required

ผู้ป่วยเด็กโรคสุกใส จะกลับไปโรงเรียนโดยไม่แพร่กระจายเชื้อได้เมื่อไร *

1 point

- ☐ ภายหลังไข้ลด จนอุณหภูมิปกติ
- ☐ 7 วันหลังผื่นขึ้น
- ☐ ตุ่มน้ำแห่งจนตกสะเก็ดหมดทุกตุ่ม
- ☐ เมื่อผื่นขึ้นทั่วตัวแล้ว
